Re: *Ashford et al. v. City of Milwaukee, et al.*
Case Number: 13C0771
and other related cases

Dear Judge Adelman:

I write to formally advise you that on December 15, 2015, the City Attorney submitted a proposed settlement agreement for approval by the Common Council for the City of Milwaukee. The settlement pertains to the cases listed at the close of this letter, as well claims that have not been filed as lawsuits by eight additional persons. Based on the Council's calendar, it is anticipated that the Council could adopt the authorizing resolution at its January 19, 2016 meeting, subject to mayoral review. If not vetoed, the resolution would become effective on or about January 29, 2016.

To provide consistent information to the other courts involved in these related cases, I am filing a copy of this letter as indicated below in each case and court listed below.

We appreciated your assistance with the mediation of these matters, as well as the patience and cooperation of all of the courts who have had these cases.

Very truly yours,

s/Miriam R. Horwitz
